CORAM : R.M.S.KHANDEPARKAR, J

DATED : 7TH OCTOBER, 2005.

P.C.

1. Heard. The question of reviewing the interim order which was passed on 16th August, 2004 does not arise. There is no error apparent on the face of record in the said order. In case there is any change in the circumstances from the date on which the said order was passed refusing the interim relief, it would be for the petitioners to file a fresh application in

that regard, but that itself would not be a justification for reviewing the order dated 16th August, 2004.

2. In the circumstances, therefore, there is no question of review of the order dated 16th August, 2004. Hence, the review petition is rejected with above observations.
